

ARCHITECTURAL REVIEW BOARD

October 9, 1984

MEMBERS PRESENT: Paul Cable
Jouett Sheeting
Charlotte Stagner (3)

MEMBER ABSENT: Norm Dooley (1)

There being a quorum, the meeting was called to order by Vice-Chairman Sheeting.

Mr. Cable made a motion to approve the September 10, 1984 minutes as presented. Mrs. Stagner seconded the motion. The motion carried unanimously.

Under old business, Mr. Cable inquired about the status of Mr. Jim Morris' sign. Mr. Shipp stated that he was working on this violation and would have a report for the Board at the next meeting. Mr. Shipp was also advised to check and see if Mr. Howard Norrell could be recited on his violation.

The first item of business on the agenda was a request from Mr. Bill Crumbaugh for a sign at 210 W. Broadway. Mr. Shipp stated that Mr. Crumbaugh would not be able to make the meeting. The Board members expressed concern that the sign was too large and not appropriate to the area. The Board felt a facade sign would be more appropriate and directed Mr. Shipp to write Mr. Crumbaugh a letter expressing their concerns. Following further discussion, Mrs. Stagner made a motion to postpone this item until the next meeting or when Mr. Crumbaugh can be available for discussion. Mr. Cable seconded the motion. The motion carried unanimously.

Discussion was held concerning the vacancy of the Chairman due to Mr. Lynch's term expiration. Mr. Shipp stated that the Board did not hold elections until January; therefore, the Vice-Chairman, Jouett Sheeting, would be acting Chairman until that time. Mrs. Stagner nominated Paul Cable to be acting Vice-Chairman until the elections are held in January. Mr. Sheeting seconded the nomination. The nomination carried unanimously.

There being no further business to discuss, Mrs. Stagner made a motion to adjourn. Mr. Cable seconded the motion. The motion carried unanimously.
